# P-CEP Homelessness Outreach Toolkit

What is the learning need?

Emergency personnel need practical information and collaborative partnerships to enable emergency preparedness with people experiencing homelessness and the services that support them.

How does P-CEP Homelessness Outreach respond to that need?

Person-Centred Emergency Preparedness (P-CEP) Homelessness Outreach applies the P-CEP conceptual framework and process steps alongside 4 key actions to enable emergency preparedness in partnership with people experiencing homelessness.

4 Key Actions:

1. Learn about the Lived Experience of Homelessness.

2. Use strategies for creating physical, psychological and emotional safety.

3. Enable access to information, physical safety, and material support.

4. Collaborate with service providers.

The P-CEP Homelessness Outreach Toolkit includes:

- a conversation guide with outreach tips

- lived experience of homelessness stories

- a learning module to help you get started

You will learn about the:

- **barriers** to enabling emergency preparedness with people experiencing homelessness.

- **preparedness, capabilities, and support needs** of people with lived experience of homelessness.

- **contributions of service providers** to enabling emergency preparedness with the people they support.

- **4 actions** you can take to increase emergency preparedness in partnership with people experiencing homelessness and the services that support them.
